## VisionPro 500 Series LCD Arms

*The VisionPro 500 series provides the widest range of viewing positions and angles of any monitor arm of its type. Designed to suit any application within the office, production or medical environments. The VisionPro 500 series LCD monitor arm can be adjusted in height, extension, tilt and swivel and landscape to portrait to meet all modern ergonomic criterias. Precision manufactured in die-cast aluminium with internal cable management.*

*Available in desk or wall mount fitting, compact (360mm max reach), extended (540mm max reach) or double extended (720mm max reach). Each configuration provides up to 460mm of height adjustment.*
